And now the county super-independent has been peltitoned for a facing on the question and asked to correct the action of the board. Findley, Cassel Criss. Benigmin were presented to them. to correct the action of the board.

Below are some reasons of the petitioners for asking for the ocalion on the Wright farm:

1. A more beautiful site for a

achool building can not be found in Union district, one that the whole district will be proud of, if properly improved and cared for.

2. The high school is for the whole

district, not for any one section, and the site on the Wright farm would the district and therefore would accommadate a majority of the pupils who would attend. As the school is now located, at least half of the tax-payers of the district get no benefit of it, tithough they pay mare than half of the taxes for its support.
